

There isn't **one** good
reason to give to
St. Andrew's this year.

St. Andrew's 2011 Pledge Drive

These are just a few of the many gifts that St. Andrew's brings to our lives. As the church, we are the Body of Christ and each of us gives with the gifts that we have to share. We give because the life of our community depends on our sharing. We give joyfully because God has blessed us abundantly. In giving, we join together with Christ trusting that through God all things are possible.

Please give what you can to support the life of our community and contribute to the Body of Christ present here at St. Andrew's. Regardless of the amount, your participation is a symbol of your place in the body and your commitment to God. It will enable us to be a living example of God's love in the world. As the blessing says, "Christ has no body now on earth but yours..." May we be the Body of Christ blessing the world in so many ways!

Yours in Christ,
Jane Gerdson
